Gentlemen

Would you be interested in an old set of books of Roman History, printed in 1738. Contains many old maps, and medals, that some tell us are valuable. Printed in London. If you are interested, Kindly address as above for further information

Yours truly

American Distributing Co.

Gentlemen:

In reply to your recent inquiry, we wish to inform you that we are not interested in an old set of books on Roman history, which you offer.

Very truly yours,

Curator

HW:MB
